

FalconCrest Smart Home Features Make Your Life Easier

SMART FEATURES

Owning a FalconCrest Signature Home comes with big advantages! All new homes include energy-conscious features to enhance the quality of your home environment, decrease monthly utility bills and reduce your carbon footprint. Keep your family safe and connected and your new home more efficient with these Smart Home Features.

Amazon Echo Show 8

- Ask Alexa to show you security cameras, control lights and adjust thermostats
- Connect with friends on Alexa app via video calling and messaging
- Ask Alexa to show you movies, TV shows, news, weather and traffic. Plus listen to radio stations, podcasts and audiobooks
- Enjoy live cooking classes with the Food Network and cook alongside culinary experts.

Smart Thermostat With Alexa Voice Control

- Control your smart thermostat with your voice or monitor and control temperature anywhere from your Smartphone
- Smart thermostats can result in up to 23% in energy consumption reductions by reducing wasted energy in your home
- Monitors furnace performance, maintenance and filter change alerts.

Smart Lighting

- Switch lights on and off remotely, save energy and set your mood
- Custom schedule your lighting even when you're away from home
- Use lights as notification or signals, for events or to inform you if someone's at your door
- Install at front entry/garage, kitchen, front foyer and master bedroom and covered patio, you choose the locations!

FalconCrest Smart Home Features

Wi-Fi Enabled Front Entry Lock

- Remote control and monitor your keyless door lock from anywhere in the world with your Smartphone or Alexa device
- Get alerts when your door is left open, unlocked or senses a security breach
- Let in friends when you're away
- Never fish for keys again!

Ring Video Doorbell

- Watch over your home from anywhere, includes night vision security
- Receive instant mobile notifications when anyone presses your doorbell or triggers your built-in motion sensor
- Never miss a real visitor with two-way talk in real-time. Welcome your real visitors and screen unwanted strangers
- A deterrent to burglars discouraging them from attempting entry
- Safe, effective and conveniently runs on various platforms.

Wi-Fi Enabled Garage Door Controller

- Never leave home again wondering if you closed your garage door
- Monitor the status of your garage door from virtually anywhere and open or close it if needed with your smart phone or Alexa
- Receive alerts about door status and enjoy more peace of mind
- Bolster the safety and security of your home.

Electric Car Charging Outlet

- We even include an electric car charging outlet built into your own garage!
